KAILASH KOKOPELLI

PROMO

SOUND MEDICINE MAN · CEREMONIAL MASTER · MULTI INSTRUMENTALIST
Producer and Performer of Sacred World Music

Kailash Kokopelli is recognized as a cross-cultural bridge-maker, medicine person and humanitarian artist working with people of all walks, weaving ancient and future traditions through ceremonial medicine music & sound healing.

Through deep explorations of the healing effect of sound, Kokopelli has developed a unique sound medicine transmission through the Native American Prayer Flute, the Australian Aboriginal Didgeridoo, overtone and spirit chanting, crystal singing bowls, ceremonial spoken word and prayer works.

Kokopelli weaves shamanic elements into his unique **SACRED WORLD MUSIC** known also as **MEDICINE MUSIC**.

Inspired by uncountable ceremonies with indigenous medicine people, Kailash developed the skill to guide people to source within where self-healing processes are being initiated.

The ceremonial weddings, event opening and cacao ceremonies are on high demand due to the authentic loving, sacred and playful presence of Kokopelli.

As one of the first European Didgeridoo Players and Medicine Music producers Kailash Kokopelli is a leading pioneer exploring the healing effect of sound since the early 90's. He has gathered over 30 years of experience through countless individual and group sound medicine treatments as well as performing ceremonial Medicine Music Concerts worldwide opening a field of grace where miracles can take place.

Besides his Sound Medicine education, treatment and research work Kailash also teaches **KACHIMO Healing Chi Movements** and sacred **SONGDANCES**.

INSTRUMENTS

The Native American Prayer Flute and the Australian Didgeridoo are Kokopelli's main Instruments. Carrying a rich patina of hundreds of healing concerts and individual sound healing treatments his instruments are sacred tools that initiate self healing processes.

The sound of his unique String Instruments carry his Heartsongs, healing mantras and sung prayers into the world as an invitation to practice the Yoga of Song and sing along to co-create a unified energy field. The Indian Shrooti Box accompanies his Overtone Chanting and Mantra Invocations.

The healing sound of Crystal Singing Bowls opens our crown to connect with the higher dimensional field of pure consciousness while the Heartbeat of the Medicine Drum calls us back to our roots and ancestors reminding us to listen to the song of the heart as the compass for guidance.

MUSIC

His music can be found on **Soundcloud** and **Spotify**.
Currently Kokopelli is working on his 12th album „Morningstar“.

Songs like the **HEALING SONG, WALKING TREE** and **ABOVE & BELOW** are sung in festivals and gatherings around the globe.

Kailash Kokopelli is performing on invitation worldwide and has touched many thousand people with his healing Sound Medicine and Sacred World Music.
